CONGRATULATIONS!

You have joined the movement to encourage neighborhood play. Posting this fern where it is visible can help parents & kids know you value the mental health & development of free play.

THANK YOU FOR PROMOTING OCCUPATIONS OF DOING,

I am not lost or neglected! **PASSPORT TO PLAY!**

I know to follow safety rules.

Thank you for making sure I am OK, feel free to call to check in with my parents.

My parents encouraged me to be outdoors because they believe play with less adult structure is important for my development.

I am in the process of learning to advocate, communicate, develop safety-awareness, make and keep good friends, be generous and caring, and comfortable in my own skin.

I am developing my sense of self in more ways than one.

Join the movement and post a fern to symbolize your support in childhood development!
